

A Greener Cobo Begins With YOU

GREEN FACILITY STATEMENT

The Cobo Center commitment to environmental stewardship in our community is demonstrated by our continuous efforts to investigate, validate and implement new and innovative Green initiatives throughout the facility, and by our programs designed to educate our employees, vendors, customers, partners and visitors in the importance of the sustainability of our environment.

“ Let every individual and institution now think and act as a responsible trustee of Earth, seeking choices in ecology, economics and ethics that will provide a sustainable future, eliminate pollution, poverty and violence, awaken the wonder of life and foster peaceful progress in the human adventure.”

— John McConnell, founder of International Earth Day
